CBSC will accept written comments on the modified building standards during the 15-day period.

NOTE: To be notified of any modifications, you must submit written/oral comments or request that you be notified of any modifications.

## **AUTHORITY AND REFERENCE**

The California Building Standards Commission proposes to adopt these building standards under the authority granted by Health and Safety Code Section 18929. The purpose of these building standards is to implement, interpret, and make specific the provisions of Health and Safety Code Section 129850. The OSHPD is proposing this regulatory action based on Health and Safety Code Sections 1226,1275,18929, 129790 and 129850 and Government Code Section 11152.5.

## **INFORMATIVE DIGEST**

### Summary of Existing Laws

Health and Safety Code Section 1226 authorizes the Office to prescribe, in consultation with the Community Clinics Advisory Committee, minimum building standards for the physical plant of clinics, for adoption in the California Building Standards Code.

Health and Safety Code Section 1275 authorizes the Office to adopt and enforce building standards for the physical plant of health facilities including hospitals, skilled nursing facilities and correctional treatment centers.

Health and Safety Code Section 18928 authorizes state agencies to adopt the most recent edition of model code, as amended or proposed to be amended by the agency, within one year of the publication date of that model code.

Health and Safety Code Section 18929 mandates that building standards or administrative regulations that directly apply to the implementation or enforcement of building standards must be submitted by the adopting agency to the California Building Standards Commission for the Commission's approval and must be adopted pursuant to Health and Safety Code Section 18930 and the Government Code (commencing with Section 11346).

Health and Safety Code Section 129790 authorizes the Office to propose building standards for correctional treatment centers in cooperation with the Department of Corrections, Board of Corrections and Department of Youth Authority.

Health and Safety Code Section 129850 authorizes the Office to propose building standards, as necessary, in order to carry out the requirements of the Alfred E. Alquist Hospital Facilities Seismic Safety Act. The Office is also authorized to submit to the California Building Standards Commission for approval and adoption of building standards related to the seismic safety of hospital buildings.

Government Code Section 11152.5 authorizes a state department to adopt regulations pursuant to the Government Code. Regulations which are building standards must be adopted pursuant to State Building Standards Law of the Health and Safety Code (commencing with 18901).

#### Summary of Existing Regulations

The OSHPD currently enforces the California Code of Regulations, Title 24, Part 2, 2001 California Building Code which is based on the 1997 Uniform Building Code with California amendments. OSHPD enforces requirements related to the construction of hospitals, skilled nursing facilities, licensed clinics and correctional treatment centers.

#### Summary of Effect

The propose action is to adopt the 2006 International Building Code for incorporation, by reference, into the 2007 California Building Code and to carry forward existing California amendments related to health facilities and minor technical modifications.

#### Comparable Federal Statute or Regulations

There is no federal statute or regulations related to this proposed action.

#### Policy Statement Overview

The intent of this proposal is to adopt the most recent model code requirements for health facility construction, pursuant to Health and Safety Code Section 18928. The OSHPD is responsible for the development of regulations regarding the physical plant for hospitals, skilled nursing facilities, licensed clinics and correctional treatment centers. Additionally, OSHPD is responsible for amending model code requirements for these health facilities, as necessary.
